Subject: Public Comment: Requested Change to Objective 4

I would like the Board to give consensus direction to Staff to make the following changes to Objective 4, Stewardship:

1. Add bullet: "Expand efforts for appropriate sharing of trail resources between different types of local users."
2. Add bullet: "Appropriate enhancement of trail systems for all types of local users."
3. Add "and biking" after "hiking" in the last bullet before the word "trails."
